PREFACE

It gives me a great pleasure in presenting the yearly activities report of the Office of Council for Insurance Ombudsmen for the financial year 2022-23. This year was buzzing with various activities and initiation of innovative ideas.

During the year all 17 Offices of Insurance Ombudsmen together received total 51103 complaints which is 19% higher over that of last year. Collectively all centres disposed of 51625 complaints. The total disposal is 101% which shows a remarkable improvement in disposal of complaints over the FY 2021-22. It is indeed heartening to share that our 10 out of 17 centres disposed of 100% complaints as on 31.03.2023 and have started the New Year with a clean slate. Kudos to them!

During the year 2022-23, total 11985 complaints were registered through online which is 23 % of the total registered complaints. However, the encouraging part is that a whopping 78.01% of total disposal during the year was done online.

The OIOs played a crucial role in reducing the instances of complaints which are eventually declared non-entertainable chiefly due to non-conformity to the rules and procedures in vogue. Frequent interactions at various level with an outreach to the intending complainants especially in Q4, the overall percentage of non entertainable complaints are drastically reduced. We are sure, this year it will be further improved.

We have made focused and dedicated efforts to resolve maximum number of complaints by way of recommendation as envisaged in the Insurance Ombudsmen Rules 2017 (Amended till date). This year 22.39% of complaints were disposed by way of recommendation (mediation) by all offices as against 11.25% in the FY 2021-22. I would like to make a special mention of OIO Delhi, OIO Chandigarh, OIO Kolkata and OIO Bengaluru for settling more than 40% of complaints by way of recommendation (mediation) in this period. A special thrust especially in the 4 th quarter was directed towards this which yielded positive results.

During the year, recruitment process for Insurance Ombudsmen at 8 centres has been successfully completed and all the new Ombudsmen have taken charge at their respective centres immediately on exit of the existing Ombudsmen. A special thanks to the Selection Committee, DFS and IRDAI for the smooth conduct of the entire selection process.

A five day in-house orientation programme for Insurance Ombudsmen was conducted at NIA for all the Ombudsman including the newly inducted Ombudsmen. A lot of constructive feedback, suggestions were received during the session which helped us strengthening the IO mechanism.

The Council for Insurance Ombudsmen has taken many new initiatives such as introduction of chatbot (Bima Lokpal Mitra), escalation matrix for follow up for compliance of award by Insurers within mandated 30days from the date of award from 1st April 2023, the most ambitious initiative is introduction of **digitally signed awards** by Insurance Ombudsmen. This initiative proves to be a giant leap towards digitisation in line with the directives of Hon'ble Prime Minister of India and will further ensure speedy disposal of complaints. Our aim is complete automation of CMS module. We are delighted to share that our website www.cioins.co.in was visited by more than 1.10 crores visitors in last four calendar months of the year ended on 31.03.2023.

To create awareness amongst masses about Insurance Ombudsman grievance redressal mechanism, a radio jingle in Hindi and in 10 regional languages was aired on 44 Radios Stations of Prasar Bharati for a period of two and a half months. All 17 centres undertook lot of publicity measures like outdoor publicity, creative for banner posters widely published press ads, Radio talks, interviews by Insurance Ombudsmen aired during Bima Lokpal day etc. To commemorate the Bima Lokpal day on 11.11.2022, CIO successfully facilitated the web address of Shri Debasish Panda, Chairperson (IRDAI) to the huge assembly of Insurers, Complainants, Officers of OIOs at different locations Pan India. The press all over India gave good coverage of the occasion.

As a measure of Competency enhancement at various level, continuous functional training programmes for OIO staff, CMS training for insurers, frequent interactions with stakeholders proved helpful in better understanding of systems and delivery of services expected from this institution.

A way forward is to maximise entertainable complaints, more disposal by way of recommendation (mediation) and to attain zero pendency quarter on quarter basis. I am sure with the dedicated and committed teams at OIOs under leadership of respective Ombudsmen, these goals are surely achievable. Sharing of good activities, circulation of performance statements of OIOs on daily basis would further help us exhibit still better progress.

On behalf of my team CIO, I express heartfelt thanks to all the members of Council for Insurance Ombudsmen, Chairperson, IRDAI, Department of Financial Services, Ministry of Finance for their valuable guidance and directions throughout the year. I wholeheartedly appreciate the contribution of all Ombudsmen, all staff members of OIOs and CIO for their valuable contribution.

I firmly believe that the strength and growth come only through continuous efforts and struggle. As Nelson Mandela puts it- "It always seems impossible unless it is done". Our mantra is to work together in pursuit of accomplishing our commitment to resolve the complaints promptly, impartially and free of cost.

Secretary General (CIO)

1. We have audited the accompanying financial statements of the **Office of the "Council for Insurance Ombudsmen" (CIO) (Erstwhile Executive Council of Insurers) & 17 Offices of Insurance Ombudsmen** which comprise the Balance Sheet as at 31st March, 2023 and the Statement of Income & Expenditure for the year then ended on that date and a summary of significant accounting policies and other explanatory information. The financial statements of 16 Offices of Insurance Ombudsmen have been audited by Other Auditors and same has been relied upon by us.

Management's Responsibility for the Financial Statements

2. Office of the "Council for Insurance Ombudsmen" (CIO) (Erstwhile Executive Council of Insurers) and its Offices' Management are responsible for the preparation of these financial statements that give a true and fair view of the Balance Sheet and Statement of Income & Expenditure of the Office of the "Council for Insurance Ombudsmen" (CIO) (Erstwhile Executive Council of Insurers) and its Offices in accordance with the requirements of the Insurance Act 1938 as amended by the Insurance Laws (Amendment) Act, 2015 and Insurance Ombudsman Rules, 2017 (as amended on 02.03.2021, Insurance Ombudsman (Amendment) Rules 2021). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the financial statements

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence, about the amounts and disclosures in the financial statements. The procedure selected depends on the auditors' judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the CIO and its Offices preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Opinion

4. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements have been prepared in accordance with the requirements of the Insurance Act, 1938 as amended by the Insurance Laws (Amendment) Act, 2015 and Insurance Ombudsman Rules, 2017 (as amended on 02.03.2021, Insurance Ombudsman (Amendment) Rules 2021) to the extent applicable and in the manner so required, give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable to the Office of the "Council for Insurance Ombudsmen" (CIO) (Erstwhile Executive Council of Insurers) and its Offices.
 - (i) In case of Balance Sheets give a true and fair view of the state of affairs of the CIO and its Offices as at 31st March, 2023; and
 - (ii) In case of Statement of Income & Expenditure, of the deficit of the year ended on that date.

Emphasis of Matter

5. Without qualifying our opinion, we draw attention to:
 - a) The financial statements regarding accounts of the 16 offices of Ombudsman offices have been audited by various auditors. We have relied on the audit reports of these various auditors. The consolidation of the same is being done after considering the fact that the amount received from Member Insurance Companies towards their share of expenses is not a surplus, but an advance / reimbursement towards their share of contribution. Further the amount received towards Capital Expenditure is reflected as a liability for contribution for Fixed Assets.
 - b) The Ministry of Finance vide its notification G.S.R. 147(E) dated 02.03.2021 has amended Insurance Ombudsman Rules 2017 as Insurance Ombudsman (Amendment) Rules 2021. As per the said rule, the "Executive Council of Insurers" has been renamed as "Council for Insurance Ombudsmen".
 - c) Note No. 2: The Office of the "Council for Insurance Ombudsmen" (erstwhile Executive Council of Insurers) started its operations in 1998. The accounts were maintained by L.I.C of India till the year 2000-2001, which were unaudited figures. In the year 2001-2002, these unaudited figures were brought forward as the opening balances by the office of the "Council for Insurance Ombudsmen" (erstwhile Executive Council of Insurers).
 - a) Note No. 08 : Writ Petitions have been filed against the Office of the "Council for Insurance Ombudsmen" (erstwhile Executive Council of Insurers) and the Union of India by Shri A. K. Dasgupta, ex. Insurance Ombudsman, Mumbai, Shri G. Rajeshwara Rao, ex. Insurance Ombudsman, Hyderabad, Shri A. K. Sahoo, ex. Insurance Ombudsman, Pune, Shri Mateshwar Prasad, ex. Insurance Ombudsman, Bangalore and Shri Kiriti Bhushan Saha, ex. Insurance Ombudsman, Kolkata in the Hon'ble High Court of Bombay in April / June, 2016. The contention of the petitioners is that not pre-commuted pension, but the pension after commutation should be recovered from the salaries of the Insurance Ombudsmen. A contingent liability may arise in respect of the above cases.
 - b) Note No. 09: Regarding TDS on GST on Contracts applicable from 01.10.2018 as per notification no 50/2018 - Central Tax issued by CBIC, section 51 of CGST Act 2017, the council had obtained TDS on GST No. for Council for Insurance Ombudsmen (erstwhile Executive Council of Insurers) and 17 Offices of Insurance Ombudsman and filed the TDS on GST returns during the financial year 2022-23. CIO had also filed appeal before the Maharashtra Appellate Authority for advance ruling for Goods & Service Tax against order No. GST-ARA-77-2020-21 / B-73 dated 31st May 2022 received from Maharashtra Authority for Advance Ruling. A contingent liability may arise in respect of the above cases.

- c) Note No. 11: The Management has obtained opinion on its obligation to file Income Tax Return. As per the opinion obtained, the office of "Council for Insurance Ombudsmen" (erstwhile Executive Council of Insurers) is not required to file Income Tax Return, as it is not carrying on any commercial activity.
- d) In case of Chandigarh OIO, As per ECOI/Cir. No. 359/2021-22, The financial statements have been prepared in the manner as specified, which states that excess of expenditure over income should be transferred to Code No. 125 - Collection of fixed Assets, accordingly the deficit to Rs. 1,53,983.11 has been adjusted to such account.

Report on Other Legal & Regulatory Requirements

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and have found them to be satisfactory.
- b) In our opinion and to the best of our information and according to the explanations given to us, proper books of accounts as required by law have been maintained by the Office of the "Council for Insurance Ombudsmen (CIO)" (Erstwhile Executive Council of Insurers) and its Offices so far as appears from our examination of books.
- c) The Balance Sheet and Statement of Income & Expenditure of the Office of the "Council for Insurance Ombudsmen (CIO)" (Erstwhile Executive Council of Insurers) and its Offices refer to in these reports are in agreement with the books of accounts and returns.
- d) In our opinion, the Balance Sheet and Statement of Income & Expenditure comply with the applicable accounting standards.

Other Matters:

- a) In case of Bengaluru OIO, Electricity Charges expenses include an amount of Rs. 12,130/- which pertains to previous financial year which has to be accounted as prior period expenses.

Other Misc. Credit amounting to Rs. 1,686/- is pending since 2014, If the amount is no longer payable the same needs to be written back to Income & expenditure account.

3.(D) COMMON OBSERVATIONS / SUGGESTIONS / RECOMMENDATIONS OF OMBUDSMEN REGARDING QUALITY OF SERVICES RENDERED BY INSURER & CAUSES OF GRIEVANCES.

LIFE

- A significant portion of the complaints pertaining to Life branch continues to be mis-selling to the less-educated, the financially less savvy and the elderly. (Received under 13 (1)(d) Insurance Ombudsmen Rules 2017 amended till date.) This account for **58%** of the total entertainable complaints disposed off in the year.
- Mis selling with attractive & false promises by intermediaries should be dealt with firmly.
- In Life Insurance the Free Look period of 15 days and the mechanism of Pre Purchase Verification Call should be effectively implemented in letter and spirit.
- More responsible matrix for making the proposed insured understand the terms and conditions of the Insurance Policy being offered to him/her.
- Information sharing about the policy terms & conditions with the insured is required in the following situations which will reduce the instances of misselling.
 - Banc assurances
 - Life or Accident covers purchased concurrently with Loans
 - Group Insurance Policy purchased by account holders of banks
 - Where banks act as an intermediary for Insurance wing of the Group
 - When purchase of new Policy is made from proceeds of earlier policy which has matured

NON-LIFE

- In General Insurance sector major claims were reported from Motor Insurance
- It is observed that the maximum number of complaints are under 13 (1)(b) - any partial & total repudiation of claims by the insurer. This account for **83.52%** of the total entertainable complaints disposed off in the year.

HEALTH

- It was observed that in Health Insurance Sector the large number of cases pertained to Mediclaim specially of Covid-19 cases.
- The criticality of correct health declaration, need for declaration of past ailments, treatments and claims, and the consequence of rejection of claims and cancellation of the policy in the eventuality of discovery of misrepresentation, need to be more strongly and categorically communicated in all the sales literature and in the policy-bonds most prominently and preferably in different colored ink.
- Medical examination in all cases above a certain age must be incorporated as a mandatory requirement, particularly in those proposals wherein even simple life-style conditions like HTN, diabetes, or Arthritis even at age 65-70 are “not disclosed”.

- At the time of renewal of health policies or portability of Health Insurance policies, need for fresh proposal form should be dispensed with.
- The policies issued under the Bank Assurance Channels as a collateral securities in case of loans & advances, policy holder should be made adequately informed about the terms and conditions of the insurance plan which is being issued to him/her.
- It is observed that the maximum number of complaints are under 13 (1)(b) - any partial & total repudiation of claims by the insurer. This account for **93.14%** of the total entertainable complaints disposed off in the year.
- A copy of the signed proposal form should be shared with the customer immediately.
- When the claim is rejected – short paid ,the grievance department of the insurer should re-examine the stand taken by their TPA and analyse the cause of complaint and if required may give independent decision/opinion.

GENERAL SUGGESTIONS

- The encouraging development is the readiness on the part of a majority of the insurers to consider conciliation settlements wherever possible in place of contests.
- An oddity that lies in SCN (Self Contained Note) is standard replies irrespective of content of complaints and references of judgments of different court of Laws.
- Many Insurers do not mention the address of Insurance Ombudsman in their Insurance policy or if printed, it is not prominent.
- Timely flow of the SCN (Self Contained Note) from respondent Insurer will greatly help in fast disposal of the complaint within the mandated period.
- The proposer should be educated not to give any inaccurate declaration in writing / through audio / video calls etc, signing blank proposal form, leaving blank space etc to avoid being victim of misselling.
- The letter issued viz. repudiation, rejection, closure issued by the insurer should be comprehensive and in simple language.
- Inward Acknowledgment to be sent to customer with basic details such as Name, Mobile No. Email, Place of customer Residence, Name of Insurer & category of the complaint, Inward number to be auto generated. Upon upload of all the required documents by the complainant, system to send alerts to Ombudsmen Office regarding completion of the documents.
- Sensitizing insurance customers through print and electric media on the significance of correct declaration by customers at the time of taking the policy is crucial.
- The role of Grievance Redressal Officer is pivotal hence all insurers should strengthen internal complaint redressal mechanism which will help in reduction of complaint.
